Closing Date: Monday 6th July 2009

Interview Date: Wednesday 16th July 2009

Chesterfield & District Athletics Club

The club was formed in 1978 and has a large junior membership.

The club's training base is at Tupton Hall School. Currently they compete in Derbyshire Mini T&F, X-C and Sportshall Leagues, North Midlands X-C, UK Young Athletes League, National Junior League and Northern Senior League.

The club has produced many County, Northern and National Champions, plus medallists too numerous to mention, including Schools Internationals.

The standard of coaching, support, enthusiasm and organisational back-up provided by the club, coaches, team managers and parents makes this a vastly over-achieving club with results that speak for it.
